Thank you for your interest in hosting the New York State Public High School Athletic Association’s Boys Ice Hockey Championships. The NYSPHSAA is a non-profit, voluntary, educational service organization composed of 783 public, parochial, and private schools dedicated to providing equitable and safe competition for the students of its member schools. Membership is open to secondary schools providing interschool athletic activities for boys and girls in grades 7-12.

**BID PROCESS:**
All NYSPHSAA State Championship sites will be open for bid by any community in New York State. The NYSPHSAA retains sole control over the administration of State Championship events and is the sole rights holder of those events. All revenues and expenses are collected and dispersed by the NYSPHSAA.

All site bids will be for a three-year period. If a facility is unable to host for the full term of the bid, a joint bid may be submitted with partnering facilities.

Once bids are submitted, no revisions, modifications or adjustments will be permitted. All sealed bids and emails will be opened by the NYSPHSAA staff on the bid due date and distributed electronically to the Sport Committee. The NYSPHSAA staff and State Sport Committee will review and consider all submissions that meet the outlined criteria. Recommendations from both the staff and sport committee will be put forward to the Championship Advisory Committee for review. Finally, the NYSPHSAA Executive/Central Committee will vote to approve all State Championship bids, taking into consideration the recommendations and feedback from the committees and office staff.

Bidders will be notified during each step of the bid process. The successful facility will be required to provide the association with a contract, stipulating all proposed and agreed upon terms and conditions, within 30 days following the approval of the bid.

Proposals will be evaluated on quality of facility, finances, community support, and surrounding amenities. If the facility is located within one of the NYSPHSAA sections, the bid must be endorsed by the Section Executive Director. Bidders are highly encouraged to work in collaboration with their local section office or section sport coordinator when completing the bid. Contact information for sport coordinators can be found on the NYSPHSAA website. The NYSPHSAA office is available for clarifications on the bid process or this bid document.

If at any point during the term a host is unable to meet the expectations and requirements of their bid, the NYSPHSAA reserves the right to terminate any remaining years on the agreement and re-bid the event.
