Sport Committee/ Staff Review Date/ Time: *September 24, 2018 @ 9:00 AM*

EXECUTIVE/ CENTRAL COMMITTEE APPROVAL: *February 1, 2019*
Thank you for your interest in hosting the New York State Public High School Athletic Association’s Girls Basketball Championships. The NYSPHSAA is a non-profit, voluntary, educational service organization composed of 783 public, parochial, and private schools dedicated to providing equitable and safe competition for the students of its member schools. Membership is open to secondary schools providing interschool athletic activities for boys and girls in grades 7-12.

**PROCESS:**
All NYSPHSAA State Championship sites will be open for bid by any NYSPHSAA Section/Member School and their respective communities in New York State; NYSPHSAA retains sole control over the administration of State Championship events and is the sole rights holder. All expenses and revenues are collected and dispersed by NYSPHSAA.

All site bids will be for a three year period, unless rationale is provided for a shorter or longer term, and must be endorsed by the Section Executive Director.

The NYSPHSAA Executive/Central Committee will approve all State Championship sites/facilities, taking into consideration the recommendations of the State Sports Committee and the NYSPHSAA Executive Director/Office Staff.

Each proposal will be scored from 1 (*Not favorable for the event*) to 5 (*Excellent for the event*) on the following criteria by the Sport Committee and the NYSPHSAA Staff:
- Size/Quality of facility
- Effectiveness of site committee
- Spectator interest
- Handicap accessibility
- Proposed Expenses (Total Costs)
- Parking
- Volunteerism
- Sponsorship/Community financial commitment
- Hotel Room Rates & Availability
- Restaurants
- Security provisions
- Location

*Note:* qualifications will not be based solely upon score.
All sealed bids will be opened by the State Sport Committee and the NYSPHSAA Executive Director/Office Staff on the date/time specified on page 2 of this document. Once bids are submitted, no revisions, modifications or adjustments will be permitted. The Championship Advisory Committee will review the recommendations of the Sport Committee and the NYSPHSAA Executive Director/Office Staff to provide input to the Executive/Central Committee.

All bids must be submitted on the enclosed document.

A minimum of 20 copies must be submitted in ONE enclosed envelope.

All bidders must provide an individual or individuals available via teleconference on the day of the Sport Committee meeting to answer any questions the Sports Committee/Staff may have.

The successful facility will be required to provide the association with a contract, stipulating all proposed and agreed upon terms and conditions, within 30 days following the presentation to the Sports Committee and NYSPHSAA Staff.

Timeline:
When appropriate, bids will be released 12-14 months prior to the expiration of the current contract/agreement.

List other events (sporting events, concerts, youth tournaments, etc.) in your area during the time of this event:
No significant events. The restaurant and business community is on board and excited to make this event a priority on this weekend for the duration of the contract.

Describe promotional activities to be conducted for this event:

**Cooperation with NYSPHSAA to accommodate any requests to make this event outstanding.

**Bill Cameron, our Public Information Coordinator is serving a 2 year term as the President of the New York Schools Public Relations Association (NYSPPRA). Through this position, he has the ability to network with all members of the association he leads for promotion this event.

**C-PP media release in conjunction with Section IV and NYSPHSAA.

**Two exterior C-PP LED signs will promote this event upon being awarded.
Volunteerism:

Describe the volunteerism for this event:

The Southern Tier and the Finger Lakes region has a long history of volunteerism. The two major events that showcase this commitment in the Corning community are the Wineglass Marathon and Watkins Glen International - both are examples of events that tie our community together on a large scale. C-PP School District stakeholders are major contributors to the success of these two organizations.

C-PP Area School District has earned a very successful record in hosting multiple Section IV and NYSPHSAA events - volunteers have been instrumental in doing so. Areas included: concession staff, custodial staff, faculty, and administration. Community businesses and restaurants have always been open to supporting C-PP Area School District requests to enhance fundraising projects for our events.
Please list any other pertinent information pertaining to this proposal:

September 10, 2018

Dear Bill,

The Wineglass Marathon organizing committee is delighted to endorse Corning-Painted Post School District's bid for the 2020-2022 NYSPHSAA Girls' Basketball Championships.

We are the beneficiaries of the commitment and enthusiasm that the CPPSD community brings to major events. As our fall race weekend has grown (over 6,500 runners from nearly every state and over 15 countries), the need for volunteers has grown to over 2,000.

Your athletic teams and programs are a huge part of the success of this weekend.

- The cross-country team provides invaluable support on course for the Corelle 5K the day before the marathon.
- The Tessarae yearbook staff prepares the scrolling Powerpoint used throughout our two days of Expo -- filled with important information and interesting news for our runners.
- The boys' lacrosse team joins us at 5AM on race day to build a 3-block finish line, complete with a food tent to serve 6,000 people, a field hospital, and a finish line chute that will look great in everyone's photos.
- The girls' soccer team helps direct runners to the correct bus as we move 5,000 people out of Corning to start lines in just 1.5 hours -- also at the popular 5AM start time!
- Coaches and administrators work with us at the finish line and in those places where we need strong, firm leadership.
- The Interact Club staffs an on-course water station throughout the long race day.
- And the entire Tessarae yearbook photography staff is spread across the 26.2 mile course capturing the images that are so important for us.

In short, we couldn't do it without all of you, and I'm sure the level of dedication to quality work that you give to us will result in a first-class tournament for New York State Public High School Athletic Association.

Sincerely,

Sheila W. Sutton

I. PREFACE

Emergency response actions at Corning-Painted Post High School will generally occur with the C-PPSD employees that are actually "on hand" during the time of an emergency situation. Some emergencies may affect one or two people. Other situations may involve the need to evacuate the entire facility. Therefore, the policies and procedures contained in this manual may be modified to provide the appropriate emergency response. This manual should be considered as a guide to provide employees with an overview of their duties and responsibilities during an emergency.

All Management staff will be issued a copy of this manual. It then becomes the responsibility of each department to incorporate the enclosed policies and procedures into their departmental standard operating procedures and employee training programs. The training of this information is a critical aspect of our Emergency Plan.

II. POLICY

The C-PPSD will develop and maintain an Emergency Plan to ensure the safety and best interests of our students, guests and employees within the high school facility in the event of an emergency.

III. PURPOSE

It is not practical to define possible solutions to all emergency conditions. The purpose of this Emergency Plan is to establish the general guide for emergency operations required to respond to a variety of emergency situations at C-PPHS, to identify and assign personnel to the various tasks and responsibilities during emergency response operations and to coordinate emergency response operations with governmental authorities in order to reduce or eliminate personal injury or loss of life, minimize property damage and decrease the interruption of operations and event schedules.
IV. GENERAL INFORMATION

It is the responsibility of every employee to report any emergency condition, or suspected emergency condition. Notification of an emergency is done through the C-PPSD HS Command Center, which will become the Emergency Operations Center (EOC), Room F 119. The highest ranking C-PPSD management team member on-site will be designated as the Emergency Director. The Emergency Director is responsible for implementing emergency procedures, implementing protective actions recommended by local or state authorities, and disseminating accurate information to all emergency response personnel. All emergency response activities will generally originate from the EOC.

Response to an emergency affecting the C-PPSD HS is a cooperative effort between on-site departments and their staff, as well as local government agencies. The Emergency Plan will use event-related personnel as well as other facility employees.

C-PPSD contracts the services of the Corning Police Department (CPD) and the American Medical Response (AMR) for security and first aid services when necessary. These services are intended to serve as the first line of defense in the event of an emergency. Emergency response forces may be supplemented by local government authorities, depending on the severity of the situation. The Emergency Director will notify local authorities, when necessary, of the emergency.

A. EMERGENCY ALERT

1. An emergency is defined as any condition which exists (or is likely to exist) that endangers the safety of occupants in the facility or could cause property damage.

2. The most probable conditions requiring the activation of the Emergency Plan are anticipated to be medical, fire, severe weather and bomb threats. However, hazardous material incidents, mass disasters or other emergency conditions may arise that could require the use of these emergency procedures.

3. Upon receiving information regarding any type of emergency that may require the activation of the Emergency Plan and/or the partial/total evacuation of the facility, the highest ranking on-site employee of C-PPSD will be notified via two way radio, telephone, or PA system.

4. Emergencies should be reported by use of the two way radios, telephones, or the address system. Wherever stationed, all employees should be aware and familiarize themselves with all modes of communication.
B. CHAIN OF COMMAND

The decision to activate the Emergency Plan will be made by the following (decision-making rank):

1. Director of Athletics
2. High School Administrator
3. Athletic Manager
4. Site Chairperson
5. Public Information Coordinator
6. Event Supervisor
7. Corning Police Department
8. American Medical Response

C. ACTIVATING THE EMERGENCY PLAN

Once the Emergency Director has evaluated the situation, it will be determined if an emergency exists, which requires the activation of the Emergency Plan. If an emergency exists, the Emergency Response Team will be notified by best means available to meet in Room F 119. If time allows, both local law enforcement and fire department will be consulted in making a decision.

D. EMERGENCY RESPONSE TEAM PERSONNEL

The following individuals, if present in the facility, are involved in the Emergency Response Team (ERT):

1. Director of Athletics
2. High School Administrator
3. Athletic Manager
4. Site Chairperson
5. Public Information Coordinator
6. Event Supervisor
7. Local Government Authorities (law enforcement and fire)
8. Medical Representatives
E. EMERGENCY RESPONSE TEAM RESPONSIBILITIES

The responsibilities of any ERT member not on-site will be assigned to an on-site ERT member by the Emergency Director. All ERT members should assist in monitoring the emergency, providing timely reports to the Executive Office or Emergency Director and helping to account for all personnel.

1. ATHLETIC DIRECTOR
   a. Activate emergency plan
   b. Control procedures and decision-making activities related to the facility
   c. Supervise the ERT, making recommendations as necessary
   d. Alert the local authorities via phone
   e. Implement evacuation procedures, if necessary
   f. Act as liaison to outside Incident Commander, once on-scene
   g. Alert tenant or client in the facility
   h. Establish a Temporary Communications Center either on-or-off site
   i. Prepare a press room for media after the emergency
   j. Assist with the media questions

2. HIGH SCHOOL ADMINISTRATION
   a. Advise the ERT on conditions concerning the emergency
   b. Work on activities involving physical systems, including the shutdown of systems or utilities, if necessary
   c. Work with Athletic Manager if evacuation is needed
   d. Appoint and activate personnel from other departments to assist as needed
   e. Monitor and advise ERT on the warning systems in the facility
   f. Operate emergency P.A. system, if required

3. EVENT SUPERVISION
   a. Work with ticket takers to secure money drawers

4. ATHLETIC MANAGER/PUBLIC INFORMATION COORDINATOR
   a. Oversee the activities of the supervisors
   b. Evacuate, direct or relocate patrons in a safe and orderly manner, as required
   c. Notify EOC when evacuation is complete
   d. Coordinate with the police, fire and medical personnel
   e. Record verified damage information
   f. Assist in maintaining a written record of all events that occur, including actions taken, decisions made, by whom, persons involved, and cost incurred
5. **BUILDING & GROUNDS REPRESENTATIVE**
   a. Assess damage to physical plant
   b. Monitor facility systems for proper function and/or operate them as directed
   c. Set up all maintenance and repair activities, including activities that would involve outside contractors
   d. Provide for debris clearance, if needed
   e. Provide necessary damage inspection reports

6. **LOCAL GOVERNMENT-POLICE/FIRE/MEDICAL**
   a. Make recommendations to the Emergency Director
   b. Provide assistance as needed
   c. Provide on-duty CPD personnel to act as Incident Commander

7. **MEDICAL REPRESENTATIVES (AMR, Athletic Trainer)**
   a. Provide on-site medical assistance as needed
   b. Make recommendations to the Emergency Director regarding the need for additional medical assistance

V. **OFF-SITE TEMPORARY COMMUNICATIONS CENTER**

In the event the facility is evacuated, a Temporary Communications Center may be established outside of C-PPHS. The location will be determined by the Emergency Director. All communications following an evacuation, especially those involving the media, will be directed through the Temporary Communications Center.

You will be advised of the location of any offsite command center
VI. PROCEduRES

A. MEDICAL EMERGENCIES

Individuals with minor medical problems of the "band aid" type should be directed to the Athletic Trainer Station in the main gymnasium on floor level. Individuals with more serious problems should not be moved; notify the EMT on duty by building radio.

GENERAL RESPONSE

1. When calling for help, report:
   a. The location of the emergency. (Section & direction)
   b. What happened.
   c. How many people are involved and approximate ages.
   d. What is already being done.

2. If the individual has injuries:
   a. Remain calm.
   b. Try to get information that can assist AMR to respond with necessary equipment.
   c. Protect the individual from further injury. Keep the area clear around the individual until AMR arrives and assist them with crowd control so they can treat the individual.
   d. Comfort and reassure the individual that help is on the way. Stay with the individual until AMR arrives. Do not leave the injured party alone unless instructed to do so by a supervisor.
   e. Ascertain what happened:
      • Ask the individual, if he/she is conscious, what happened and if they are hurt anywhere.
      • Ask bystanders what happened
      • Observe the individual for obvious signs of injury
      • Be prepared to share this information when AMR arrives
      • Give a full report to the Director of Athletics and/or Athletic manager

3. Note-Employees are not expected to render direct first aid to an individual unless properly trained to do so. All events at C-PPSD HIS have staff that has the primary responsibility to render first aid.

4. If other guests inquire, do not attempt to answer questions concerning the incident or its apparent cause; direct them to a supervisor or the manager on duty.

5. Employees who are injured should report any injury to their supervisor.
B. FIRE

Always notify the Manager on duty by radio or by activating a fire alarm pull station. Make sure that fire hazards are not created. Inform a supervisor if potential fire hazards are observed.

Learn the location of the closest telephone, radio or other emergency notification device in your area, and make sure you know how to operate it. Learn the location of the closest emergency exit in your area, and identify alternate emergency exit routes to use in the event that the exit closest to you is blocked.

REMAIN CALM AND FOLLOW THE INSTRUCTIONS YOU ARE GIVEN

GENERAL RESPONSE

1. If obvious evidence of a fire exists or you receive instructions, escort the facility occupants out of the danger area in a calm, orderly manner first, then notify the Executive Office and/or dial 911.

2. You need to provide the following information when notifying the Executive Office/911.
   a. Your name and the exact location of the fire.
   b. Type of material burning-paper, electrical, oil, etc.
   c. How widespread the fire is.
   d. Exact location of the nearest entrance to the fire.

3. If necessary, the Executive Office will announce a message over the two way radio system to inform the facility personnel of the fire alert.

4. Unless instructed otherwise or in imminent danger, all personnel should remain at their assigned areas to help prepare for a possible evacuation.

6. If employees are to evacuate, they should ensure that all guests are clear from their area and proceed to exit the facility at the closest exit. After the evacuation of guests, employees should report to their designated outside assembly area, so that head counts may be established. Once outside the facility, DO NOT RE-ENTER THE BUILDING for any reason, until approved by the appropriate authorities.
B. FIRE (con't)

EXECUTIVE OFFICE

The Executive Office will be responsible for notifying 911 of all fires and meeting the incoming Fire Department apparatus and personnel, informing them of the type of fire and directing them to the proper location.

BUILDING & GROUNDS

The facility manager on duty will be responsible for monitoring the fire suppression systems and utility systems to verify they are functioning properly and/or to operate them as directed. The event staff will help direct patrons out of the facility. In general, the following procedures should be implemented by the maintenance staff:

a. Insure that there are no obstacles at the fire stairs and main exits
b. Make sure all exit doors are opened
c. Block off any area of danger from the general public
d. Assist guests with directions for exiting the facility
e. Secure the doors after evacuation

CONCESSIONS

The C-PP Hawks Booster Club Officer will direct all concessions staff. In general, the following procedures should be implemented:

a. Close all stands
b. Shut off power to all equipment
c. Assist management in directing guests to nearest exits
C. SEVERE WEATHER

Severe weather can include, but is not limited to heavy rains, tornadoes, hail, frequent lightning, high winds, severe thunderstorms and snow/ice storms. Notification of severe weather will be received through local television or radio stations or through staff at either the Executive Office or by the Administrator on Duty.

GENERAL RESPONSE

Severe Thunderstorm or Tornado Watch

1. When a severe thunderstorm or tornado watch is issued, Executive Office will monitor the weather conditions. The Administrator on duty may dispatch weather spotters, if necessary.

Severe Thunderstorm or Tornado Warning

1. When a tornado warning is issued, an emergency condition will be declared. The Manager on duty will announce a message over the building radio system. Decisions on what to do with individuals in C-PP HS will be made by the Administrator on duty. Those decisions include:
   a. Inform the individuals - brief them on information known.
   b. Inform the client and performers of the situation, and of the action being taken.
   c. Move individuals to areas of safety.

Snow/Ice Storms

1. The National Weather Service in Binghamton, Accuweather, and WeatherBug are currently able to provide accurate information and predictions of a storm's track and intensity, and provide advance information. This allows preparation time prior to a snow/ice storms arrival.

2. It is the policy of C-PPSD to postpone all affected events and allow all staff to evacuate if a State of Emergency is issued for the Southern Tier area.
D. BOMB THREAT

If a telephone bomb threat is received, immediately notify the Director of Athletics or the Athletic Manager. The Corning Police and Fire Department will then be notified. Based on the available information, the credibility of the threat will be assessed, and the Director of Athletics will decide whether the building should or should not be evacuated, whether there is a full or partial evacuation, and the duration of the evacuation.

GENERAL RESPONSE - Telephone Threat

1. All personnel that handle incoming calls should acquaint themselves with the bomb threat telephone sheet. A sheet is located in a folder underneath the phone at the front desk in the Executive Office. This sheet should be completed in all cases when a threatening call is received.

2. When the call is received, attempt to notify any nearby administrative person as to the nature of the call and try to keep the caller talking as long as possible by following the bomb threat telephone sheet.

3. Try to remember the exact words of the caller; be sure to write as much of the conversation as you can remember on the info sheet. Make note of any background noises, tone of voice, approximate age, gender and general attitude.

4. Do not discuss the information with anyone except your supervisor or management staff. Notify the manager on duty, who in turn will notify other members of the staff and the local government authorities.

5. If a search is needed, the Manager will contact the appropriate event personnel. At that time, all radio transmissions will cease until further notice. The facility will then be searched by key personnel directed by the Manager on duty. If a suspicious object is located, the Manager on duty will contact the Binghamton Police Department to dispatch a bomb disposal unit.

6. The manager should contact the event's manager/promoter with information of the threat and the possibility of evacuation, if required.

GENERAL RESPONSE - Written Threat/Suspicious Package

1. Upon realizing the content of a written threat or suspicious package, the employee should avoid touching or handling.

2. They should immediately notify the Manager or a supervisor by telephone and NOT by radio.

3. They should clear the immediate area without causing any undue alarm or panic.
